The City of Phoenix Risk Management claim form is attached. If you wish to present a claim to the City, please complete the form and file it as noted on the form. It is important that you provide all information requested on the claim form so that we may make a prompt, comprehensive and fair evaluation of your claim. Failure to do so will result in the rejection of your claim. In addition to the information required on the claim form, you can facilitate the processing of your claim by including copies of medical bills and repair estimates of property damage. **Please note that each person filing a claim against the City must fill out a separate claim form. You may make a copy of the attached blank form for each person to complete.**

Once we receive your completed claim form, we will investigate your claim to determine whether and to what extent, if any, the City may be liable. The City can pay only those claims for which the City is legally liable.
